Students

Students who are headed for college must do more and more to get ahead of the pack. At the Texas Boys State program, you can improve your resume while still having fun this summer, making life-long friends, testing the waters of college life, and learning leadership skills that will last a lifetime.

Parents

The best teacher is often experience! Texas Boys State abides by the “Learn By Doing” approach to leadership. Learning leadership by taking part in the political process supplements what students learn in the classroom. Texas Boys State is a practical opportunity to learn leadership skills through role play civic exercises.

Nominating a Delegate

High school officials (administrators, faculty members, coaches, fine arts teachers, and/ or counselors) may nominate qualified students meeting the eligibility requirements and selection criteria. To apply, complete the application located at **www.texasboysstate.com**.

Program Fee

The sponsoring organization should remit the payment of \$330 registration fee through our online registration. The registration fee **does not** cover transportation expenses between home location and Austin or any incidental items. The program fee includes one T-shirt for the uniform, and we encourage students to purchase 5 or more additional shirts for usage in each day of the program.
